Objectives & Requirements

Objectives

- **Present** and **discuss** current **research** being done at **IVC + DRZ**
- **Strengthen** expertise on the field
- **Provide** a **platform** for **collaboration** across widely different topics researched at IVC + DRZ
- **Practice** scientific **presentations**

Requirements

- **PhD students** must **present** their **research once in a year**
- Have **75% presence rate**
- Try to give **feedback** to **other PhD students**, specially if the research is related to your own
- Try to **put effort** on your **presentations**

PhD Seminar Format

- **First sessions:** post-doc/senior PhDs and researchers present their research and current projects first
 - Check CVG website for list and talk titles
- Your **presentation topic** could be:
 - **Current** project;
 - **Previous** research;
 - **Present** a paper/algorithm/method
- **Presentations** will be **20 minutes** + questions
 - **Two** PhD students per session
 - I will send an **e-mail** for **divulcation** to **IVC + CGL**
 - Send **abstract** and **title one week before** your presentation

Tentative Schedule

Senior Researchers Presentations

- 26/02: Today – **Intro Talk**
- **05/09: TBA**
- **12/10: TBA**
- **19/10: TBA**

PhD Students Presentations

- 26/03: Chen Xiaoran, Choutas Vasileios
- 02/04: Elich Cathrin, Geilinger Moritz Ulrich
- 09/04: Kanakis Menelaos, Mihajlovic Marko
- 16/04: Ntavelis Evangelos Obukhov Anton
- 23/04: Paschalidou Despoina, Pautrat Rémi François Jean
- 30/04: **TBA**
- 07/05: Peng Songyou, Popovic Nikola
- 14/05: Shahbazi Mohamad, Türkoglu Mehmet Özgür
- 21/05: Wang Fangjinhua, Wang Yifan
- 28/05: Weder Silvan Adrian

Feedbacks & Questions?

A horizontal bar spanning the width of the slide, divided into four colored segments: grey, red, green, and blue.
